New Video: The Stradivari Challenge

The 'Chaconne' Stradivarius (1725) versus 'ex-Hämmerle' Stradivarius (1709) fitted with Il Cannone® for violin with both instruments played by Rainer Honeck, Concertmaster, Vienna Philharmonic Orchestra. Laurits Th. Larsen visits Vienna and talks us through a Stradivari challenge at Marcel Richters' studio.

Please view [online](#) and see and hear the results. Part of the Larsen Strings Video Collection available via our website or YouTube channel.

With Our Compliments

You will shortly receive a complimentary copy of Jazz Ballads for Violin arranged by Nikolai Tunkowitsch, the Viennese violinist.

Sixteen popular jazz ballads including printed piano accompaniment, lyrics & chords. Recorded & performed by Nikolai, there is also a CD with performance & backing tracks.

Nikolai Tunkowitsch plays Larsen Virtuoso®

'Virtuoso are a good choice for me, absolute flexibility, the same for big halls or small 'dry' rooms, amplified or not. Even if you play as loud as possible the strings keep a noble tone, the response is fantastic, soft or hard. Virtuoso suit me and my playing perfectly'

Aiming for Sustainable Solutions

We are participating in Project ZERO. The entire Sønderborg area is involved in the vision of creating a CO₂ neutral growth area before 2029. Larsen Strings has been awarded Silver Certification.

Bright Green Business

ProjectZero

Larsen Strings A/S. Aiming for sustainable solutions. Our energy is delivered by Danish land wind turbines. Awarded Silver accreditation as an active participant in Project Zero (Sønderborg).
