

LARSEN STRINGS

for Viola — *'It's all about the music'* —

Larsen Original

Our Larsen Viola A has very nearly become the default choice as the foundation for the ideal viola set up. Offering versatility and projection combined with long lasting and consistent performance. Medium lends a lovely mellow sound, while strong offers brightness and power.

All four strings are offered in two tensions, medium and strong, the A string is also available in soft. The strong tension strings offer more volume and higher resistance to the bow.

String Details

Original Viola. Our Viola A string is made on a solid steel core. It is wound with precision rolled stainless steel flat wire. The C, G and D strings are made with a unique multi-filament nylon core. We use windings of precision rolled silver flat wire for the C and G strings, and aluminium for the D string.

'Medium lends a lovely mellow sound, while strong offers brightness and power.'

A Soft Loop

A Medium Ball

A Strong Loop

D Medium

G Silver Medium

C Silver Strong

Larsen Original for Viola

Type

Tailpiece/Peg Silks

Soft kg/lbs

Medium kg/lbs

Strong kg/lbs

D					4.9 / 10.8		5.6 / 12.3
G					5.0 / 11.0		5.3 / 11.7
C					5.0 / 11.0		5.2 / 11.5

Aiming for sustainable solutions: at Larsen Strings the aim is to progressively work toward sustainable solutions in the way that we operate as a company. Some steps are small and some, such as our decision to upgrade to a CO₂ neutral electricity plan are larger steps towards our destination.
