

LARSEN STRINGS

for Cello — *'It's all about the music'* —

Larsen Soloist Edition

Complementing the Original range and purpose designed for enhanced projection, focus and volume particularly at the higher harmonics as demanded by the professional solo player.

String Details

Our Soloist Edition is offered in soft, medium and strong for A and D and medium and strong for G all optimised slightly above the Original equivalents.

The strings are based on solid steel cores, different in properties and dimensions from their Original cello counterparts. The A and D wound with precision rolled stainless steel flat wire and the G with tungsten/flat wire.

A Soloist Strong D Soloist Medium G Soloist Medium

Larsen Soloist for Cello		Soft kg/lbs	Medium kg/lbs	Strong kg/lbs
Type	Tailpiece/Peg Silks	Reference pitch frequency: 440 Hz. Free vibrating length: 700 mm
